

MONROVIA®

Since 1926

# Summerlasting® Crape Myrtles

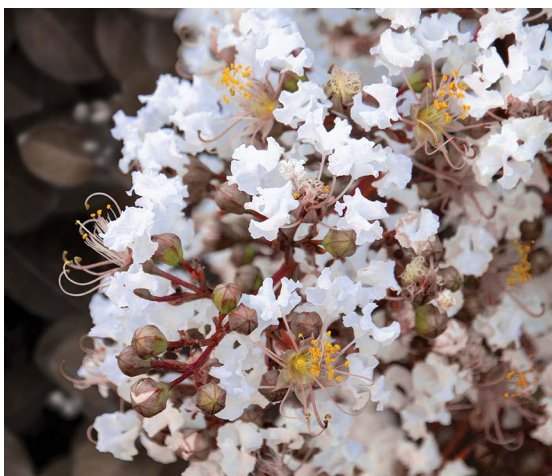

SUMMER STANDOUTS, THESE DWARF CRAPE MYRTLES ADD LONG-LASTING BEAUTY TO LANDSCAPES.

Flowers appear earlier and extend through summer.

Sun-loving Monrovia exclusive in four summery colors.

Compact form, 3-4 feet tall and wide.

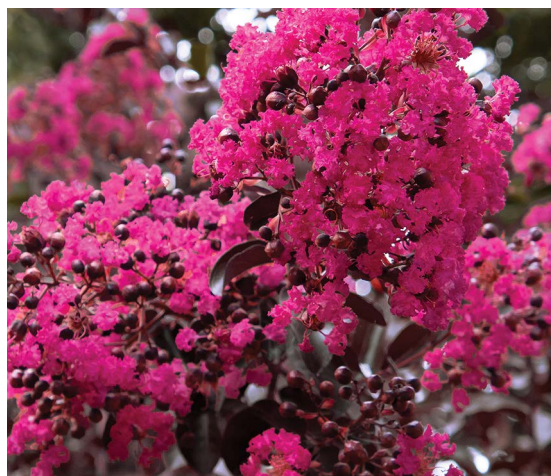

Flowering shrub perfect for containers and small-space landscapes.

**SUMMERLASTING® COCONUT**

Dark, nearly-black foliage contrasts with long-blooming pure white flowers.

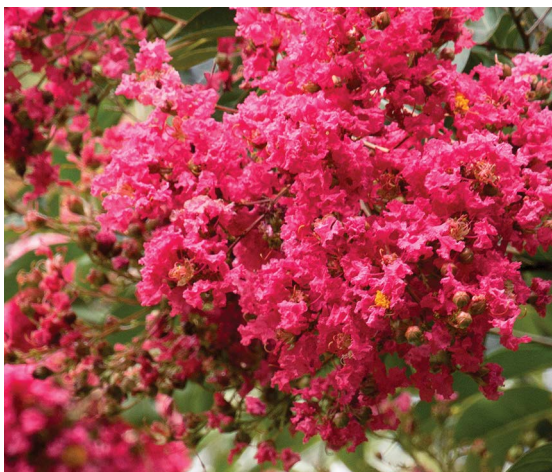

ZONES: 7-10

**SUMMERLASTING® RASPBERRY**

Rich, purple-black foliage offset bright pink flowers that rebloom without deadheading.

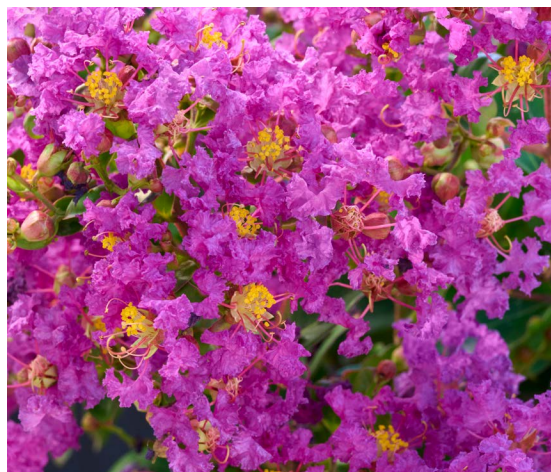

ZONES: 7-10

**SUMMERLASTING® STRAWBERRY**

Densely covered with bright pink flowers. Green leaves emerge red.

ZONES: 7-10

**SUMMERLASTING® PLUM**

Completely covered in purple blooms over an exceptionally long bloom season.

ZONES: 7-10
