

MONROVIA®

Grow Beautifully

Dwarf Alberta Spruce

A MUST-HAVE FOR THE FALL AND HOLIDAY SEASON

- High consumer demand: Our #1 requested holiday plant every year.
- Craftsmanship that shows: Pruned more frequently through the years for a fuller, better formed, and lush plant.
- Quality and consistency: Perfectly uniform sizes and forms.
- Premium soil mix: Quick draining and enhanced with mycorrhizae and compost for optimal root health.
- “Green Pot” worthy: Each is nurtured for years to meet our size standards – up to a decade.
- Timed right for holiday sales and fall planting: Ready to ship now from our Oregon nursery.
- Fits top landscaping and décor trends: Perfect for containers, privacy plantings, topiary, gifts, and holiday decorating.

PICEA GLAUCA 'CONICA'

ZONE: 2-8
